Park

2023 Annual Report

President's Message

As the President of the Board of Directors, I would like to express my heartfelt gratitude for the past year to all our Westerners. To our staff, volunteers, board members, government partners, clients, and guests: thank you for your dedicated work, your encouragement, and your presence at our Park. Without you, the Westerner is just a collection of facilities. With you, it becomes a vibrant hub for hockey games, dance recitals, rodeos, fairs, trade shows, graduations, and weddings—a place where we gather, stand together, and create cherished memories.

Reflecting on 2023, it was a year full of achievements and milestones for the Board of Directors. Here are a few highlights:

1. IMPLEMENT STRATEGIC VISION

RESPONSIBLY: After a lengthy executive search, we are excited to welcome our new CEO, Shelly Flint. Shelly's roots run in Central Alberta and she cares deeply for this community and our Park.

Her extensive experience aligns perfectly with the Westerner's needs, and her innovative approach to

solutions comes at a critical time for our organization. We are confident that under her leadership, we will navigate any challenges ahead and achieve our strategic goals.

2. FOCUS ON FINANCIAL MANAGEMENT AND COMMUNITY WELL-BEING: We've continued to strengthen our relationships with all levels of government, highlighting the significant impact Westerner Park has on communities. The conversations and positive reception has been encouraging.

3. PROMOTE AGRICULTURAL INNOVATION AND COMMUNITY UNITY: The inaugural launch of Agri-Food Innovation Expo was a resounding success, with participants from seven provinces and strong government support. Our partnership with Lethbridge exemplifies our commitment to agriculture and community growth.

With strong leadership, financial stewardship, and a passion for innovation, we are poised to continue thriving and positively impacting Central Alberta. We will build on our successes and create even more opportunities for our community to connect, grow, and celebrate.

CEO's Message

I am truly honored and excited to receive such a warm welcome from the Westerner Park team and the entire Central Alberta community. Returning to my home has been a deeply rewarding experience. Westerner Park is more than just a venue; it's neighborhood connections, and I am proud to join a team that is passionately committed to delivering exceptional events and fostering community success.

Since stepping into this role, I have hit the ground running with several key initiatives to build a sustainable future:

- 1. CREATING STRONG CONNECTIONS:** One of my top priorities has been to forge strong relationships with Provincial Ministry leaders and the Mayors of Red Deer and Red Deer County. Through advocacy, we aim to enhance the impact of Westerner Park on our community and beyond.
- 2. ENHANCING CUSTOMER EXPERIENCE:** Recognizing the importance of our guests' experiences, we have undertaken a comprehensive restructuring of the organization. This transformation is designed to elevate every aspect of our customer service, ensuring that each visitor to Westerner Park enjoys an exceptional experience.
- 3. POSITIVE BRAND REPUTATION:** In an effort to modernize and strengthen our brand, we have completed a thorough refresh and launched a new website. These updates reflect our dedication to maintaining a positive and dynamic presence in the community and online.
- 4. SECURING GRANT FUNDING FOR PARK SUSTAINABILITY:** We are actively pursuing grant opportunities to secure funding for various sustainability projects at Westerner Park. These initiatives will focus on environmental stewardship, energy efficiency, and long-term financial stability, ensuring that we can continue to serve the community for generations to come.

Looking ahead, I am confident that we have the right team in place to take Westerner Park to new heights. Together, we will continue to provide engaging and memorable events that bring joy and value to the people of Central Alberta. The future is bright, and I am excited to see what we will achieve together.

SHELLY FLINT

Westerner Days

A CELEBRATION OF FUN & COMMUNITY SPIRIT

Westerner Days 2023 was a resounding success, filled with fun and enjoyment for all. The hot and dry weather added to the festive atmosphere, allowing attendees to fully enjoy the outdoor activities. Our new format and layout, which included The District, Kidventure, AgVenture, and The Market, were enthusiastically received by everyone. During the event, we welcomed 59,000 visitors who experienced the excitement and community spirit of Westerner Days.

This year, we faced challenges due to road construction on 19th Street, but this did not dampen the spirits of our attendees. The festival was vibrant and bustling with activity, featuring several notable highlights:

- 32 food trucks offering a variety of delicious treats
- 44 market vendors showcasing unique products
- 125 colorful and creative parade entries
- 1 monster truck
- 40 talented musicians and entertainers showcased
- 78 Chuckwagon and Chariot races that thrilled the crowds
- 1,230 volunteer hours contributed by dedicated community members

Westerner Days 2023 truly highlighted the community's resilience and passion, making it a memorable event for everyone involved.

Agri-Trade Equipment Expo

A HUB OF AGRICULTURAL INNOVATION & NETWORKING

Agri-Trade Equipment Expo 2023, held from November 8-10, attracted 30,235 attendees and featured 564 enterprises, reaffirming its status as one of Canada's premier agricultural equipment shows. The event saw a 4.9% increase in attendance from last year, with significant global participation, including 252 international guests from countries like Australia, Brazil, Germany, and the USA.

The expo showcased a diverse range of agricultural technology, machinery, and services through 431 exhibitors. Attendees benefited from interactive demonstrations and numerous networking opportunities, enhancing their overall experience. The Ag Innovations Competition highlighted cutting-edge technologies, fostering collaboration and knowledge exchange among industry leaders.

Agri-Trade 2023 generated an estimated \$300 million in equipment sales and tourism spending, underscoring its significant economic impact. Attendees gained valuable insights from industry experts and learned innovative practices to enhance productivity and sustainability.

The expo also strengthened community ties, promoting collaboration and shared goals among industry stakeholders. Agri-Trade Equipment Expo 2023 successfully showcased the latest in agricultural innovation, providing a vital platform for networking and growth in the agricultural sector.

Agri-Food Innovation Expo

LAUNCHING A NEW ERA OF AGRI-FOOD EXCELLENCE

The inaugural Agri-Food Innovation Expo was a resounding success, marking the beginning of an exciting new initiative. This conference serves as a hub for agri-food businesses to discover new tools to grow and diversify their operations. It is a gathering place for businesses to connect with like-minded experts across various agri-food sectors, fostering innovation and growth within the industry.

With a vision to support emerging agri-food businesses, the expo provided a platform for industry professionals to connect in a collaborative environment. Participants capitalized on the opportunity to engage with experts, gaining valuable insights into product line expansion, funding strategies, marketing techniques, and more.

The event attracted participants from seven provinces and received strong government support, highlighting its national significance. Our partnership with Lethbridge exemplifies our commitment to agriculture and community growth. We are excited about this new venture and look forward to continuing to drive innovation and success in the agri-food sector.

Red Deer Rebels

It was another successful season for the Red Deer Rebels in 2023-24, and the club saw tremendous fan support as a result.

Nearly 163,000 people turned out to the Peavey Mart Centrium to take in exciting Rebels action this season, another increase over the year previous.

The Rebels once again qualified for the WHL Playoffs and advanced to the second round for the third-straight season. They are one of only two Eastern Conference teams to win a playoff series in each of the last three years.

On the ice, the Rebels were again led by favorite and captain Kai Uchacz, who led the team in scoring for the second year in a row and was a WHL Central Division First-Team All-Star. Nashville Predators prospect Kalan Lind was a force and scored clutch goals during playoffs. The Rebels defence corps, including the likes of Mats Lindgren, Jace Weir, Hunter Mayo and Matteo Fabrizi, once again ranked amongst the WHL's best. Second-year centre Ollie Josephson and rookie goalie Chase Wutzke had outstanding seasons and are sure to be selected at the NHL Draft in Las Vegas in June.

Rebels Owner, President and GM Brent Sutter says the team is in great shape for next season.

"We have a good core group coming back. Salt of the earth kids, kids who feel deeply about putting the Rebels jersey on, care deeply about playing here in Red Deer and playing in front of great fans."

Canadian Finals Rodeo

A WEEK OF RECORD-BREAKING PERFORMANCES AND DIVERSE ENTERTAINMENT

This year's CFR in Red Deer shattered records with 37,000 tickets sold. The highly anticipated Cabaret, featuring the CFR All Star Band, was a resounding success, drawing in 13,000 attendees. The Ropin' into the Holiday Market, with 99 trade show vendors, added an extra layer of excitement and variety, welcoming community members and enhancing community engagement.

Attendees enjoyed thrilling rodeo action and a variety of free activities in the CFR Experience Arena over five days. Highlights included Ultimate Bullfighting, Equine Equus Experiences, the Miss Rodeo Canada Horsemanship competition, Canadian Championship Dummy Roping, the Futurity Canadian Made Bucking Horse Sale, the H Bar Auctions Horsemanship Show and Sale, and Mini Chuckwagons races.

The Rotary Club of Red Deer hosted an electrifying 50/50 event, awarding one lucky winner \$99,537.50. These achievements solidified this year's CFR as the highest-attended event in Red Deer's CFR history.

This success was made possible by our sponsors' generous support, the dedicated staff and volunteers who logged over 3,000 hours, and the tireless efforts of 400 volunteers. The Westerner Park team also proudly donated \$6,615.00 to the Benevolent Rodeo Fund, supporting the rodeo community in times of need.

The economic impact of the CFR on Central Alberta was significant, contributing \$19 million to the region.

As Westerner Park bids farewell to the Canadian Finals Rodeo and is transitioned to a new host city, we extend our best wishes. The collaboration between Westerner Park, the Canadian Finals Rodeo, and the Canadian Professional Rodeo Association has been exceptional, preserving the legacy and showcasing the heart and soul of rodeo in Canada, while making a lasting impact on our local community.

Canadian National Arabian Championship

A GRAND RETURN

The Canadian National Arabian Championship made a triumphant return in 2023, utilizing the full Agricentre, Neeralta pavilion, and, for the first time, the Peavey Mart Centrum. Over 300 horses participated in this prestigious 10-day event, showcasing their talents across four sand rings. To accommodate the event's growth, the riding arena was moved from the Ag East pavilion to the Neeralta Pavilion, creating space for an additional 160 horse stalls. The show organizers were delighted with the event's success and have already committed to returning in 2024.

Westerner Park Foundation

Westerner Park is thrilled to announce the tremendous success of this year's Cowboy Kicks event, which raised \$285,000 for the Westerner Foundation and the Canadian Rodeo Historical Association. As our main fundraiser, Cowboy Kicks has garnered overwhelming support from sponsors, donors, artists, volunteers, and attendees, all committed to positively impacting the local community. This significant achievement reflects the collective dedication and generosity of everyone involved.

In line with the pillars of Innovation & Events and Education & Community Engagement, the foundation hosted "Lammle's Day at the Rodeo" during the Canadian Finals Rodeo. Forty-eight students and chaperones from Aspen Heights Elementary School experienced a day in the life of rodeo athletes, learning about humane animal handling, animal care, and the human-animal relationship. Facilitators, including rodeo bullfighters, equine experts, and ropers, guided the students through activities like the Ultimate Bullfighting Experience, The Equus Experience, and Dummy Roping.

In 2023, the Westerner Foundation supported 13 capital projects with a total investment exceeding \$700,000. The funds also facilitated facility renovations, system upgrades, acquisition of new equipment, installation of security cameras, enhancement of our IT network and new wayfinding signage. These efforts help us continue enhancing the quality of life for Central Albertans, supporting the agriculture industry, and generating community economic benefits.

Westerner Park's Volunteer Program

GROWING STRONGER TOGETHER

Westerner Park's volunteer program continued its impressive expansion in 2023. Volunteers committed a remarkable 8,336 hours, an increase of over 1,000 hours from the previous year. The program also saw the addition of 193 new volunteers, significantly boosting our dedicated team. Notably, the Rebels program experienced substantial growth, increasing from 44 individual volunteers to 94—a gain of 50 volunteers.

We are immensely grateful for our volunteers, whose dedication and hard work are the backbone of our success. Without their invaluable contributions, many of our events would not have been possible. This consistent growth in volunteer numbers reflects our ongoing efforts to engage the community and enhance involvement in our organization. Westerner Park remains committed to finding new ways to involve volunteers, recognizing their essential role in bringing our events to life.
